

Euro Meetings

Auditor's report

In accordance with my appointment by the assembly, I have audited the accounts of Euro Meetings covering the period 1 September 2007 to 31 August 2008.

I can report the following:

- the opening balance from last year is reproduced correctly
- all expenses are realistic and directly related to Euro Meetings activities.
- the credit balance / profit this accounting year is Euro 2,803.73
- the treasurer has kept all accounts in a clear and correct way
- eight members did not pay the membership fee for 2008 ; two of these members did not pay the 2007 fee
- the closing balance for this year is Euro 119,329.45

In conclusion I suggest the treasurer's report is accepted and the treasurer is discharged from personal liability in respect of the accounts reported on.
