

Euro Meetings

AUDITOR 'S REPORT

In accordance with my appointment by the assembly, I have audited the accounts of Euro Meetings covering the period from September 2003 to September 2004.

The following conclusions could be drawn:

- The opening balance has been correctly derived from last Year.
- All expenses are realistic and directly derived an related to Euro Meeting activities. The net balance this year is Euro 9.810,55
- The Treasurer has kept all accounts in a clear an correct way and has well looked after Euro Meetings finances.
- Several members (9) did not yet pay the membership fee for 2004. Five members are behind on their fee for 2003. All members profit in the same way from our organisation and should have the decency to full fill their obligation without delay.
- The closing balance for this year is Euro 100.987,35

In conclusion I suggest that the Treasurers report is accepted and that Treasurer is discharged from personal liability in respect of the accounts reported on.
